Data version

v1

The floor area of the unit under Government Regulation No. 366/2013 Coll. means the total area of all rooms of the unit, including areas under load-bearing and non-load-bearing walls, partitions and cores (marked here as vertical structures). It is the area bounded by the perimeter walls of the unit. Room areas are indicative only. Equipment shown in the unit plans (furniture, kitchen units, appliances, etc.) is not part of the delivery. The scope of delivery is specified in the standards. The developer reserves the right to make changes.
